Statement of intent

All children are entitled to a full-time education, regardless of their circumstances. Unfortunately, children missing from education (CME) risk underachieving, and not being in education, employment or training (NEET) in later life, and it can act as a vital warning sign of a range of safeguarding concerns, including abuse and neglect.

The LA has a legal duty to identify when there are CME and help them back into education. This policy highlights what our school will do to help the LA with its duty.

For the purpose of this policy, a “child missing from education” is defined as a child of compulsory school age who is not registered at a school, not placed in alternative provision by an LA, and not receiving a suitable education elsewhere. This definition also encompasses children who are receiving an education, but not one that is suitable, including children who are not receiving full-time education suitable to their needs, e.g. age, ability, aptitude, SEND.

This policy does not address pupils who are considered to be absent from education, which is where a registered pupil is not attending regularly, including where they are persistently or severely absent from school. Procedures for addressing instances where pupils are not attending regularly are instead set out in the school’s Attendance and Absence Policy.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education Act 1996
- Education Act 2002
- Children Act 1989
- Children Act 2004
- DfE (2022) ‘Working together to improve school attendance’
- DfE (2024) ‘Keeping children safe in education 2024’
- DfE (2018) ‘Working Together to Safeguard Children’
- DfE (2016) ‘Children missing education’
- DfE (2021) ‘School Admissions Code’

This policy operates in conjunction with the following school policies:

- Child Protection and Safeguarding Policy
- Attendance and Absence Policy
- Admissions Policy

2. Roles and responsibilities

The appropriate school staff are responsible for:

- Entering pupils on the admissions register.

- In the event that a pupil fails to attend the school on the agreed or notified date, undertaking reasonable enquiries to establish the reason for this absence, and considering notifying the LA at the earliest opportunity.
- Keeping an accurate and up-to-date admissions register by encouraging parents to inform them of any changes.
- Monitoring pupils' attendance through a daily register.
- Notifying the LA if any pupil is to be deleted from the admission register in the circumstance outlined in Regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 (as amended in 2016).

All staff are responsible for:

- Being alert to the potential need to implement early help for a pupil who is frequently missing or goes missing from care or home.
- Being aware of the school's procedures for managing unauthorised absence and children missing from education.
- Using their professional judgement and knowledge of individual pupils to inform their decision as to whether welfare concerns should be escalated to the DSL or deputy DSL.

Parents are responsible for:

- Ensuring that their children, if of compulsory school age, are receiving suitable full-time education.
- Notifying the school regarding any absences or changes to the pupil's education arrangements.

3. Reasons for children missing education

There are a number of reasons as to why children miss education, including the following:

- Failing to be registered at a school at the age of five
- Failing to make a successful transition
- Exclusion
- Mid-year transfer of school
- Families moving into a new area

Aside from these reasons, if a child is missing from education, particularly repeatedly, this can act as a vital warning sign of a range of safeguarding concerns, such as the following:

- Abuse and neglect, including child sexual exploitation (CSE) and child criminal exploitation (CCE), potentially involving county lines
- So-called 'honour-based' abuse, including FGM and forced marriage
- Mental health issues
-

Staff will be aware that early intervention is essential to identify the existence of any underlying safeguarding relating to CME and to help prevent the risks of a pupil going missing in the future. All staff will be made aware of unauthorised absence procedures and this policy to ensure they know how to respond to possible cases of CME.

4. Children at particular risk of missing education

As there could be many reasons for a child to be missing from education, the school will use its professional judgement on a case-by-case basis. The following list, however, indicates groups of pupils who are most at risk of missing education and the procedures the school will follow in response:

- Pupils at risk of harm or neglect – where this is suspected, local child protection procedures will be followed; however, if a child is in immediate danger or at risk of harm, a referral will be made immediately to children’s social care services (CSCS), and the police if appropriate. The LA officers responsible for CME will check whether a referral has been made, and will contact CSCS if this is not the case. Should there be a reason to suspect a crime has been committed or the child’s safety is at risk, the LA will contact the police.
- Children of service personnel – the school will contact the Ministry of Defence Children’s Education Advisory Service for advice to ensure continuity of education for these pupils.
- Missing children and runaways – should the school suspect a child has gone missing or run away, an appropriate staff member will consult the DfE for advice on missing children.
- Children who cease to attend school – where the reason for a pupil who has stopped attending a school is not known, the LA will investigate the situation.

5. Induction and training

The safeguarding response to children who go missing from education will be explained to staff during their induction.

All staff will receive annual safeguarding and child protection training, including an update on the various safeguarding concern possibilities that CME could represent, any changes to the early help process and staff members’ role in this process.

6. Safeguarding

The school recognises that CME can act as a vital warning sign to a range of safeguarding issues. Where there are concerns that a pupil missing from education is linked to a safeguarding issue, action will be taken in line with the Child Protection and Safeguarding Policy.

In line with the Children Act 2004, the school will follow appropriate procedures when carrying out reasonable enquiries, such as the DSL conducting discussions with neighbours, relatives or landlords, to determine whether a child may be at risk of harm.

For the purpose of this policy, “reasonable enquiries” are defined as limited, investigative powers that the school may action to determine a child’s whereabouts and whether they may be in danger.

The DSL will record that they have completed these procedures and, if necessary, make a referral to CSCS or the police.

7. Admissions register

The school will ensure that the admissions register is kept up-to-date at all times, and will encourage parents, via communications such as emails and newsletters, to notify the school of any changes as they occur.

Pupils will be recorded on the admissions register at the beginning of the first day on which it has been agreed by the school, or the day that the school has been notified, as the date that the pupil will attend the school.

Where a parent notifies the school that their child will live at another address, the school will record the following information on the admissions register:

- The full name of the parent with whom the pupil will live
- The new address

- The date from when it is expected the pupil will live at this address

Where a parent notifies the school that the pupil is registered at another school, or will be attending a different school in future, the school will record the following information on the admissions register:

- The name of the new school
- The date when the pupil first attended, or is due to attend, that school

8. Removing a pupil from the admissions register

The school will inform the LA of any pupil who will be deleted from the admission register where they:

- Have been taken out of school by their parent and are being educated outside the school system, e.g. home-schooled.
- Have ceased to attend school.
- Have been permanently excluded.
- Have died.

The school will notify the LA that a pupil is to be removed from the admissions register as soon as any of the above criteria are met, and no later than the time at which the pupil's name is actually removed.

If a pupil's name is to be removed from the admissions register, the school will provide the LA with the following information:

- The full name of the pupil
- The full name and address of any parent with whom the pupil lives
- At least one telephone number of the parent with whom the pupil lives
- The full name and address of the parent who the pupil is going to live with and the date the pupil is expected to start living there, if applicable
- The name of the pupil's new school and their expected start date, if applicable
- The grounds for removal from the admissions register under Regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 (as amended), as outlined in this policy.

9. Monitoring and review

This policy is reviewed annually by the DSL and the headteacher.
